A NOTE OF THANKS

I would like to thank those of you who prayed for me during my sickness and are still praying for me and my family. I believe it was due to your prayers that I was able to recover so soon. Thank you to each of you who sent cards. They meant so much! It feels good to be part of a caring church family. Please continue to pray for me as I prepare to go to live at a refugee camp the beginning of May. --Annie E.
