ANNOUNCEMENTS

We want to announce a special project for New Horizons. They are in need of a tow motor for the thrift store. They have an older one now and have to travel a distance across the parking lot between the thrift store and sorting shed. The current one is older and they would like to get a second one so they have one to use at each place. The cost is approx. \$10,000.00 and they would like to get it as soon as funds are available. Starting today, we would like to use the next two Sundays to make it possible to designate offerings toward this project.

Reminder to those who have served one year or longer on the mission field: please fill out the Missionary Questionnaire placed in your mailbox and return it to someone on the Mission Board today.

The Sunday school committee is in need of a teacher for the 3 year olds class. Please see Rachael Smucker if you are able to help with this.
