NOTE FROM THE BOARD

The Caretakers thoroughly clean this building each week. Since they open and close for many groups in a weeks' time and some of them are scheduled very close together, the Caretakers need your cooperation. Please give a good Christian testimony by leaving this building in decent shape. Be considerate of the group that follows you. Please leave the property as clean as you found it when you got there. Everything should be as you found it when you leave. If you have any questions regarding your responsibilities, please ask the Caretaker, otherwise we assume that you understand this document and the fact that you could be charged if these guidelines are not followed.
